

Prayer For Our Center

There is only One, the Divine that is present in all things, expressing as Peace, Harmony, and Unity.

That One is present in each and every one of us.

Therefore, it is present in the collective that is Center for Spiritual Living Ballard. We are the Peace, Harmony, and Wisdom of the One.

We now know and affirm there is a natural Harmony and Order that continues to express in every action at our Center. We stand surrounded in Peace, in Balance, in Wisdom. We know Center for Spiritual Living Ballard as a Divine Idea in the Mind of God.

We are grateful for the balance, essence, and goodness of All That Is.

We release our Word into the Law, knowing it is already done. And so it is.
